NUMBER 239.

PHILIPPINE VETS.

A Column 3,000 Strong Marched Through the Principal Streets of St. Paul, Minn.

TWO SQUADS G. A. R. MEN IN LINE.

They Called Forth the Greatest Applause by the Bystanders Recorded Any Organization.

Gen. Charles King, of Wisconsin, Was Elected President of the Association at the Business Session in the Afternoon.

St. Paul, Minn., Sept. 3.—Veterans of two wars Wednesday marched shoulder to shoulder through streets thronged with thousands anxious to pay them their meed of praise. Swarthy, stalwart and alert, the soldiers who saw service in Luzon formed a sharp contrast to the grizzled old veterans of Gettysburg, Shiloh and a hundred bloody battles of the war between the states.

The parade was headed by Gen. C. McGreave as grand marshal, and a column about 3,000 strong marched through the downtown streets. The parade was led by a platoon of mounted policemen. Then came the 21st United States infantry under command of Maj. Hunter Leggett, followed by the Tenth United States field battery, under command of Capt. Ridgeway.

Two little squads of G. A. R. men called forth the greatest applause accorded any organization. The third division consisted of the First infantry national guard. The fourth division also consisted of the national guard; also the boys' brigade. Then came a dozen carriages containing Gov. Van Zant and staff and several officers connected with the army headquarters.

Next followed what was perhaps the most beautiful feature of the parade, the living flag, composed mostly of little school girls.

The society of the army of the Philippines under command of Brig. Gen. Hale was the last division, but by far the most imposing. At the head of it rode Gen. Hale and Gen. King and Col. Metcalf. They marched well and were greeted with cheers and waving hats all along the line.

At the business session Wednesday afternoon officers were elected as follows: President, Gen. Charles King, Wisconsin; first vice president, Col. J. W. Pope, Colorado; second vice president, Capt. C. E. Locke, Colorado; third vice president, F. M. Schutte, St. Paul; fourth vice president, Capt. M. A. Crowe, Pennsylvania; fifth vice president, Col. W. S. Metcalf, Kansas; sixth vice president, Maj. D. S. Fairchild, Jr., Iowa; secretary, A. E. Fouts, Missouri; treasurer, E. J. White, Illinois; chaplain, Capt. James M. Mailley, Nebraska.

The reunion came to a close Wednesday night with a camp fire at the People's church. Gov. Van Zant made an address on behalf of the state and Gen. Irving Hale, retiring president of the army of the Philippines, responded.

IN DEFIANCE OF COURT.

Attorney, Detective and Policeman Sentenced for Contempt.

Chicago, Sept. 3.—In a habeas corpus case growing out of the arrest for the second time of Walter B. Hoyt, on a charge of obtaining money under false pretenses, in defiance of an order of Judge Cavanaugh in the criminal court, the latter ordered the arrest for contempt of Assistant Attorney Barnett and sentenced him to ten days' imprisonment and to pay a fine of \$50. Thos. J. Howard, detective, and Officer Louis Houllillon, of Cincinnati, were also committed for ten days. Hoyt was charged with being a fugitive from justice, and upon the hearing of the habeas corpus case, the officers attempted to serve a governor's warrant upon him in the court room, although warned by the judge not to do so. Assistant States Attorney Barnett explained that he had advised the arrest of Hoyt upon the executive warrant.

"You assumed that the court did not know what he was talking about and advised the officers to act in defiance of court," exclaimed Judge Cavanaugh with spirit. "Mr. Barnett, although you are a friend of mine, I can make no exception in your case. I will sentence you to jail for ten days and to pay in addition a fine of \$50."

MURDERER SENTENCED.

Knapp Will Expiate His Crime in the Electric Chair December 12.

Hamilton, O., Sept. 3.—Alfred A. Knapp was sentenced to be electrocuted on December 12 by Judge Belden. When Knapp was asked to stand up to receive his sentence, he was entirely indifferent in his attitude. He heard the sentence without the movement of a finger and to most persons in the court-room had been absolutely stoical, but he was seen by a few persons to swallow rapidly at least a dozen times. That was the only outward indication that the infliction of the death penalty, as it fell from the lips of Judge Belden, had the slightest effect upon the stranger. Before Judge Belden had finished reading the technical portion of the sentence, Knapp grew more indifferent and looked carelessly at the court stenographer transcribing it to her note book. Knapp laughed at one of his own jokes, when being taken from the court-room after hearing the death sentence pronounced upon him and said to Sheriff Bisdorf, "That death sentence isn't anything."

STEAMER BLOWN UP.

Twenty-Nine Persons Killed on the Vaskapu in the Black Sea.

Constantinople, Sept. 3.—Three explosions Wednesday on the Austrian steamer Vaskapu soon after it left the Bulgarian port of Bugas en route for Constantinople killed 29 persons. The vessel caught fire and had to be beached.

The Vaskapu sailed from Varna, Bulgaria, and after calling at Burgas was steaming through the Black Sea to Constantinople when three explosions took place on board.

The Vaskapu belonged to the Hungarian Levant Steamship Co., of Fiume, Austria, and has been engaged in the Black Sea service.

She was built in New Castle in 1891 and was a steamer of 1,076 tons. She was 260 feet long and 36 feet beam, and a depth of 16.9 feet.

London, Sept. 3.—In a dispatch from Vienna reporting the destruction of the steamer Vaskapu in the Black Sea the opinion is expressed that the Bulgarian revolutionaries were responsible for the explosion.

A DOUBLE TRAGEDY

Ex-Mayor Edson's Son Kills a Woman and Himself in New York.

THE MAN WAS INSANELY JEALOUS

Murderer and Suicide Was Also a Brother of Dr. Cyrus Edson, Eminent Physician and Surgeon.

The Deed, Which Was Premeditated, Was Committed in the Presence of His Wife, Brother and a Baggage Mover.

New York, Sept. 3.—Henry T. Edson, 39 years of age, shot and killed Mrs. Fannie Pullen, 37 years old, Wednesday, and then shot and killed himself. The double tragedy occurred at Edson's residence. The murderer and suicide was Henry Townsend Edson, aged 39 years, a son of former Mayor Franklin Edson and a brother of Dr. Cyrus Edson. Edson is said to have been insanely jealous of the woman and wanted her to go away with him.

The shooting occurred in the presence of Dr. David O. Edson, the suicide's brother, his wife, Mrs. Henry T. Edson, and a baggage mover named Thomas Wood.

The murder and suicide appear to have been premeditated and followed a dramatic scene in which Edson asked Mrs. Pullen, a close and honored friend of his wife and family, to desert her husband and children and fly with him to another state. Mrs. Pullen was a pretty woman and is said to have been the daughter of a United States naval officer.

Members of the Edson family insist that Edson was insane. There are many indications that Edson was madly in love with Mrs. Pullen. On the body of the man was found the following letter:

"Mrs. Pullen—Darling: Trust John implicitly. He will always be a go-between and faithful. I know him thoroughly. He will tell you where I am waiting for you, to see your sweet face once more before I go. I am going far, far away, but will die true to you, no matter how long I live. I shall lead a new life and an honest one and if I can ever come back to you with my past cleaned up, I will, dearest. Oh, my God; let me see and speak to you once more before I go. I can not go until you do. I hope and pray that you put in to-day's personal. Anyway I answered it in to-morrow's. I hope you see it. I can not sleep. I can only pray and pray that you will come to me once more. Surely you will after all you have been to me for the past ten years. You do love me, darling. I know you do. Come to me once more, darling. If only to say good-bye. I shall wait here until you come, no matter how long. John will tell you my hotel name. Ask the clerk for me."

The following "personal" was published in a morning newspaper Tuesday:

"E. Loyal—Nothing in answer to message; be good to me; worried about you; send word to-day; just as true to you as always; with love."

The following, evidently a reply to the foregoing, appeared Wednesday morning:

"Fanny—I am loyal and true; can not go till I see you; trust John; he will tell you where I am; with love."

These are believed to be the "personals" referred to.

Mrs. Pullen lived with her husband, John F. Pullen, an auditor at the Grand Central station and her two children, Trafton, 16 years old, and Mary, 14 years old.

The Edsons were to break up their home Wednesday morning as a result of an agreement to sign articles of separation, reached the night before. The life of the pair had not been happy.

Mr. Pullen, who is a vestryman of St. Michael's church, made a statement Wednesday night, in which he branded Edson as a defaulter and forger and said that he had stolen from the funds of St. Michael's church.

Dr. Cyrus Edson Wednesday night said that the intimations of improper relations between his brother and Mrs. Pullen were absolutely false. His brother, he said, had recently been acting strangely and had admitted that he was involved in financial difficulties. The shooting, Dr. Edson declared, was committed in a moment of maniacal frenzy.

Rambold claims to be proprietor of a hotel in Niagara Falls and city treasurer of the same city.

Both were under 21 years of age. Donovan has not been captured.

Moss ordered it dismissed, and continued the case till the November term of court. Mrs. Garret and her daughter are charged with having scalded to death Jason L. Craft, aged 60 years, of Craftsville, in February.

Covington, Ky., Sept. 3.—J. A. E. Miller, of Madison avenue, is having more than his share of ill luck. Several weeks ago his father was shot and killed in Columbus, O., by a Negro patrolman, who mistook Miller for a burglar. His brother-in-law was badly injured a week ago. Wednesday morning Miller's wife slipped while coming down a stairway, and in falling sustained internal injuries that may result fatally.

A DEMENTED MAN.

Went to Sagamore Hill and Made a Demand to See President Roosevelt.

HE WAS ARRESTED AND LOCKED UP

The Fellow Was Armed With a Revolver Fully Loaded and Had Been Practicing With It.

Prisoner Would Give No Reason For His Interest in Marksmanship—It Is Thought Financial Trouble Unsettled His Mind.

Oyster Bay, L. I., Sept. 3.—A man giving his name as Henry Wellbrenner was arrested at Sagamore Hill late Tuesday night while making a persistent demand to see President Roosevelt. The man was armed with a revolver fully loaded. He was taken to the village and placed in the town prison.

Wellbrenner was taken to Mineola, L. I., on an evening train and placed in the custody of the county authorities.

It appears that President Roosevelt was aware of the trouble the secret service officers had with Wellbrenner Tuesday night. After the man had been turned back the second time, despite his insistence that he had an engagement with the president, the officer inquired of the president about the fellow. Mr. Roosevelt was in his library only a short distance from the spot where the officer had stopped Wellbrenner's horse. He told the officer he had no engagement with anybody.

When Wellbrenner returned a third time with a demand that he be permitted to see the president, the officer seized him and drew him out of the vehicle over the front wheel. The noise of the scuffle attracted the president's attention. He appeared at the door overlooking the driveway from the veranda as Wellbrenner was taken into the stables, but returned to the library, almost immediately.

Wellbrenner has been practicing with his revolver recently, but he would give no reason for his interest in marksmanship and Wednesday said he could not shoot very well.

It appears that one of his brothers, who attended the examination Wednesday afternoon, is a metal worker and belongs to a labor union in Brooklyn. Some time ago he lost his position and went with his wife to his father's farm at Syosset. The farm is a good one, but the family is in debt for it, and the father, Henry Wellbrenner, and the son who was arrested Tuesday night, have been working hard to lift the indebtedness. The son from Brooklyn is said to have talked a good deal to his brother recently about labor unions, and about the loss of his position. It is thought that the hard work and the trouble over the farm indebtedness had something to do with unsettling Wellbrenner's mind.

TRAGEDY IN A THEATER.

Ten-Year-Old Lad Shot and Killed By a Minstrel Performer.

Birmingham, Ala., Sept. 3.—While the Star minstrel troupe, of Birmingham, was giving a performance in Library hall, Bessemer, Wednesday night, a tragedy occurred in which Edwin Neeley, a South Birmingham lad of 10 years, lost his life. Near the close of the performance the people on the stage were supposed to fire a volley of blank cartridges from revolvers. One was loaded, and the bullet took effect in young Neeley, killing him instantly. Wade LaSalle, of Birmingham, one of the minstrels, gave himself into the hands of the authorities stating that after the tragedy he discovered that the chambers of his revolver that had not been fired were loaded with ball cartridges.

TAYLOR doesn't care what the people of Kentucky believe about his case so long as the Governor of Indiana "holds" him innocent.

AFTER the turn Powers' case has taken, it's likely that Taylor will be less desirous than ever to go into court to have his "innocence" established.

It's hardly conceivable that the Republicans should make the "innocence" of that Frankfort gang an issue in the present campaign, but they have the gall for any enterprise.

SOME Republicans would have the world believe that the Democrats of Kentucky want an innocent man hung for the assassination of Goebel. They imagine everybody else is as bloodthirsty as themselves.

REPUBLICANS may rant and rave and tear their hair as much as they will, but they can't bring to life the body of William Goebel nor help the case of the gang of assassins who were the instruments in his untimely taking off.

THE Georgetown Times has this very pertinent remark: "Dennis Hanley, the Republican juror in the Powers case, is 'catching it' from the Republican papers. Had Mr. Hanley voted the other way in the jury room, he would have been held up as a model citizen."

WHEN Youtsey "threw a fit" and played the 'possum act during his trial, Republicans denounced Judge Cantrell for his "cruelty" in ordering the trial to proceed, and poured out their maudlin sympathy for the poor "persecuted" prisoner. They have changed their opinion of Youtsey since then, but you don't hear them referring much to his "bluff." Powers' during his recent trial tried to work just as big a bluff on the jury when he argued his own case.

THE Ledger in its reply Wednesday concerning the "hold up" on East Third street ignores its most glaring misstatement in regard to the affair, namely, that the drunken negroes had held up some white women, and that Kane came along and rescued them. The article was headed "Another Holdup," but the evidence in the Police Court shows that it was simply a case of drunken and disorderly conduct and breach of the peace.

PROF. T. J. SMITH.

Versailles Man Chosen Principal of the Colored Schools.

At the meeting of the Board of Education last night Prof. T. J. Smith, of Versailles, Ky., was elected Principal of the Colored Schools. The Advisory Board recommended Prof. Smith, and he was unanimously elected.

The new Principal is a college graduate, holds a State certificate, has taught at Versailles seven years and comes highly recommended.

PITHY POINTS.

The kind of "removal" that Taylor would have advised instead of that of Judge Cantrell, would have been removal of Powers to Indiana.

It's highly probable that Judge Robbins will now come in for his share of abuse and hatred, as it was heaped upon Judge James Cantrell.

There was one thing that was neglected by Powers and his attorney, they should have gotten rid of Prosecutor Franklin along with Cantrell, as there was as much cause to displace the one as the other.

GOEBEL'S OFFER.

Brother of the Dead Governor
Calls Down a Ranting Republican Paper.

Will Pay the Times Star \$500 to Publish the Evidence in Powers' Case.

In a recent issue the Cincinnati Times-Star contained an editorial commenting on the conviction of Caleb Powers at Georgetown for participating in the conspiracy to assassinate Governor Goebel.

It was headed "Kentucky Shamed By the Caleb Powers Verdict," and said among other things: "It is not a verdict on evidence. It is absolutely against both law and fact. Without a scintilla of evidence upon which to base the finding this jury condemned this man to a felon's death."

The publication has resulted in Mr. Arthur Goebel sending to the paper the following:

"I hereby offer you \$500 to publish word for word the evidence given on both sides in Caleb Powers' last trial, so that your readers may judge for themselves by the entire evidence whether your statements be true. I will furnish you, on request, the official stenographer's complete transcript. Five hundred dollars will not defray the expenses of your printing the evidence, yet it is worth much more than the cost of printing the evidence to you that your readers should believe your editorial statements true.

"If you accept the above proposition I shall add \$100 for your publishing in connection with the evidence in the Caleb Powers case the testimony of ex-Governor William O. Bradley, of Kentucky, in the Ripley case, the cost of printing which will not exceed \$10."

Holliday's Chances Improving.

[Enquirer.]

When on July 6th Charles W. B. Holliday, a laborer, was taken to the City Hospital by Patrol No. 2 from Third street and Broadway with a bullet wound in his chest, the physicians at that institution had small hopes of saving the man.

The size of the wound was such as to indicate a large caliber bullet, and from all the symptoms present the missile had entered the left lung. Tuesday by means of the X-rays the bullet was located on the extreme left side, about an inch and a half above the liver. It was removed without difficulty.

One long procession of Pittsburg and Kanawha coal boats passed down Wednesday. Over twenty steamers passed during the forenoon. Most of the boats were newly painted, and it was a grand sight, showing what can be accomplished on the Ohio with a navigable stage of water.

COUNTY SCHOOL TAX.

Suit Pending in the Circuit Court to Enjoin the Collection of That Part of This Year's Levy.

It is not generally known that a suit is pending in the Mason Circuit Court to enjoin the collection of the county levy of 15 cents on \$100 for public school purposes this year. The suit was filed during the June term of court, the plaintiffs being Messrs. James N. Kirk and Chas. D. Peace.

Some years ago a vote was taken on this question of levying 15 cents for public school purposes, the object being to give a longer term of school. Under that vote the levy has been made each year since then.

The petition in the suit now pending states that the last Legislature passed a general law on this subject, that this repealed the special act under which the tax was voted, and that therefore the levy is without legal authority and void. The court is asked to enjoin the Sheriff from collecting the levy.

In a few days the youngsters will go back to their school or college. As a matter of course they will need an outfit. You that had experience are fully aware that you do not as a rule find the kind of clothing we sell in the average clothing stores.

Our entire fall stock is in. Before your boys start to school bring them in.

With us they can choose from the productions of the famous manufacturers, Stein, Bloch Co., L. Adler Bros. and Co., Garson Meyer Co., three of the greatest concerns in Rochester, New York. The majority of the "boys" know these makes and want them.

Our trade on these lines has grown to such proportion that the qualities we buy and sell of them enables us to sell them for no more than you would have to pay for much lesser qualities in other houses. You do yourselves justice to look over our lines before you buy.
